(By Laura S.)

"SENIORsmile staff are true angels to
be able to specialize their dental
profession for on-site to elderly care
facilities. They bring the dental
procedure room and tools of the
dentist's office; IN A COMPACT
version and FULL SERVICE ALL THE
WAY. The prices are NOT overcharged
even with them being specializing in
on-site mobile service!!!! I can not say
enough thanks to SENIORsmile. I
HIGHLY RECOMMEND THEM!!!!"
